\*\*\* *Sips of Japan* \*\*\*

Japanese sake is a revered alcoholic beverage made from polished rice, water, yeast, and koji mold. With over a millennium of history, sake offers a diverse range of flavors and styles, from delicate to bold. It embodies Japan's commitment to craftsmanship and harmony, making it a captivating and enjoyable drink to discover.

## *The Aubrey Sake*

The Tsuchida Aubrey Junmai is the fruit of a unique collaboration between The Aubrey London, The Aubrey Hong Kong, and Tsuchida Brewery, a small sake producer nestled in the picturesque Gunma prefecture of rural Japan.

Maxim Kassir, the Head Sommelier of The Aubrey London designed the final style of the sake and Tsuchida masterfully executed it. This premium Junmai sake is crafted from locally grown Asahi no Yume rice, to be polished only 90%.

The Tsuchida Aubrey Sake distinguishes itself with a low alcohol content of only 13% (typical Sake is from 15%-18%), a conscious choice by Maxim to create a lighter, palate-friendly experience without the overpowering spirit notes.
